

Is (and how) volunteering widely recognized in national education policies/national lifelong learning strategies?

Yes to a certain extence

### Some exampels

- Courses from sports organisations in a formel education system
- Recognition of skills
  - In formel education
  - From business leaders and employers
- Encouraging to volunteering in youth education

# Courses from sports organisations in a formel education system

"Youth leader" on public schools

10. Grade (15-16 years)"I FRONT" (DGI course – 40 hours)

# Courses from voluntary organizations in a formel education system

DGI (sport for all) + IBC (International business College)

Project management – 10 ETCS point

## **Recognition of skills**

"Get recogniced for what you have learned"

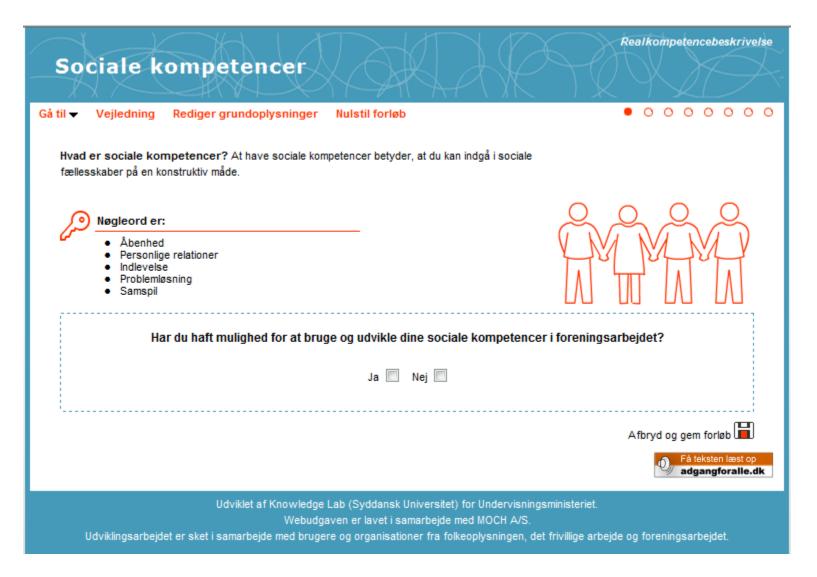

But how?

My own way to university

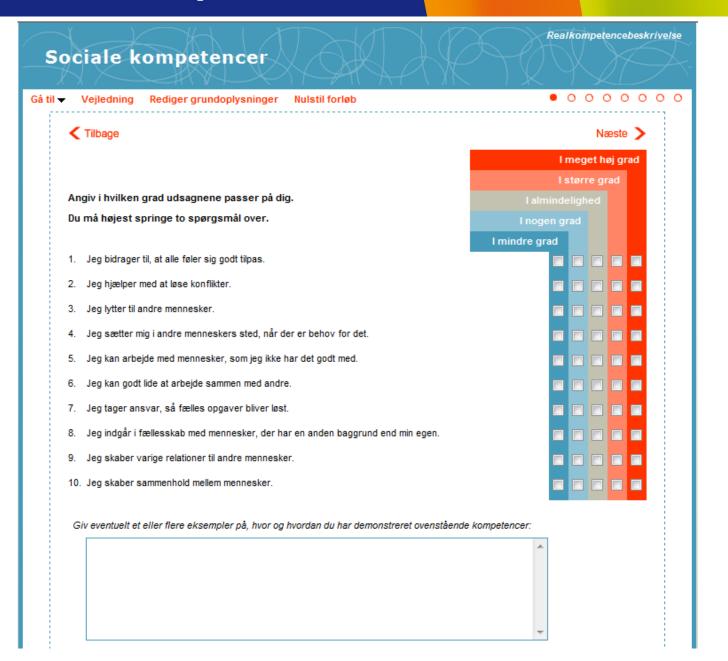

A online document sum up your skills and will be concidered when you apply for a university study. www.realkompetence-forening.dk

## Recognition of skills

#### Bidrag til realkompetencebeskrivelse

for Janne Bonde

Dato: 15-9-2011

#### The final document

Beskrivelsen er lavet på grundlag af Janne Bondes frivillige arbejde i Haderslev Gymnastikforening som Instruktør for Senioridræt Beskrivelse af foreningen: sdlagaæjadskgja Janne Bondes beskrivelse af sin aktivitet i foreningen: ifdaæjgjæadsjgaøg De kompetencer, som Janne Bonde har vist og udviklet som frivillig i foreningen: Sociale kompetencer Organisatoriske kompetencer Selvledelseskompetencer Kreative-innovative kompetencer Interkulturelle kompetencer Kommunikative kompetencer Læringskompetencer It-kompetencer I mindre grad I nogen grad I almindelighed I større grad I meget høj grad

Eksempler på hvordan Janne Bonde har vist og udviklet sine kompetencer i foreningen:

Sociale kompetencer flghflk

## **Recognition of skills**

#### John Nielsen

A story of a volunteer who got a new job because of his volunteering and his semiformal education

Petra Viig
When employers pay for semiformal education

## **Recognition of skills**

Lars Kolind, former Oticon

"When you want to find the ones that work best, there's plenty of inspiration in knowing what they do in their spare time."

#### Oticon

We look at the person rather than on the formal educational background.

## **Encouring to volunteering in youth education**

"Projekt frivillig"

Everyone at secondary scool (16-25 years/ 250.000 persons) are encoured to do some volunteering and will get a official document together with their graduation papers.

**Foreningsdatabase** 

#### Projekt Frivillig - nyt initiativ og ny målgruppe

- En rekrutteringsportal af frivillige, der giver foreninger gratis adgang til de ca. 250.000 elever på ungdomsuddannelser i hele Danmark.

#### 100 gode grunde til at blive frivillig Landsdækkende kampagne i sept. 2011

I september måned kører vi en landsdækkende kampagne rundt om på ungdomsuddannelsesinstitutionerne. Vi forventer, at det giver ekstra mange unge mennesker blod på tanden i forhold til frivilligt arbeide.

Har I brug for flere frivillige i jeres forening, anbefaler vi, at I opslår

### **Summary – volunteering**

It's important
It's recogniced
It's supported

It's beginning to be a part of the national lifelong learning strategy

- But who schould make the strategy?
