

**Helen Vost – Managing Director
Youth Sport Trust International**

Five reasons why I would be honoured to become a Vice-President of ISCA:

1. I am committed to ISCA's purpose and aims and would welcome the opportunity to be involved in shaping the direction of this global platform
2. Over the past five years I have experienced and enjoyed the benefits of being a member and would now like to take on a deeper role and contribute more
3. With more than 20 years' experience in the field of sport for development I feel I have something to offer
4. I believe that ISCA has the capacity to bring about positive change through its international network
5. In short because ISCA has great people, is a great organisation and has a great network.
