Romanian Sport for All Federation

# THE ROOTS OF SPORT FOR ALL

# SPORT FOR ALL IN ROMANIA

## – MAIN DATES

❑ In 1990, Romania joined the International Charter of Physical Education and Sport and took over the name “Sport For All”.

❑ in 1992, by the order of the Minister no. 90/20.01, the Romanian Federation Sports For All is founded. The Federation optimizes the activity, elaborates and launches programs which create the frame conditions that guarantee the right to move.

❑ In 2000, after The Law of Physical Education and Sports majority sports structures at different levels are reorganized and become private non-governmental organizations.

Some of them are publicly recognized such as: the

# SPORT FOR ALL – ROMANIAN VERSION

**Sport for All is social activity of national interest in a safe and clean environment:**

- based on the choice of every person to practice physical activities;
- depending on personal needs, capabilities and preferences;
- in an organized or independent frame

**The final result must be the social and individual health and well being**

# Background of the project

- 
- The idea of this project came from the discussions with representatives of ethnic minorities.
  - Through this project we wanted to find a way to get out from anonymity and to present the cultural richness of ethnic minorities.
  - Our work fits into the national strategy of keeping the Romanian cultural values beyond its borders.

# Project Goals

Facilitating mutual knowledge and effective communication between athletes from ethnic minorities
Providing alternatives to leisure through sport
Creating strong links with Romanian communities from Ukraine, Cernovtsy region and Republic of Moldavia
Creating an annual event where will be presented elements of multi-ethnic traditions and culture of Bukovina and Romania
Creating a pattern event in which to demonstrate that the integration into society of those ethnic minorities may be realized through sport and cultural heritage
