Netherlands Institute for  
Sport & Physical Activity

# What is NISB?

Knowledge- and innovation  
institute which motivates people  
to exercise and play sports

To enhance:

- *Participation in society*
- *Quality of life*
- *Health*

# *Target groups NISB*

children

employees

elderly

Chronically ill

youth

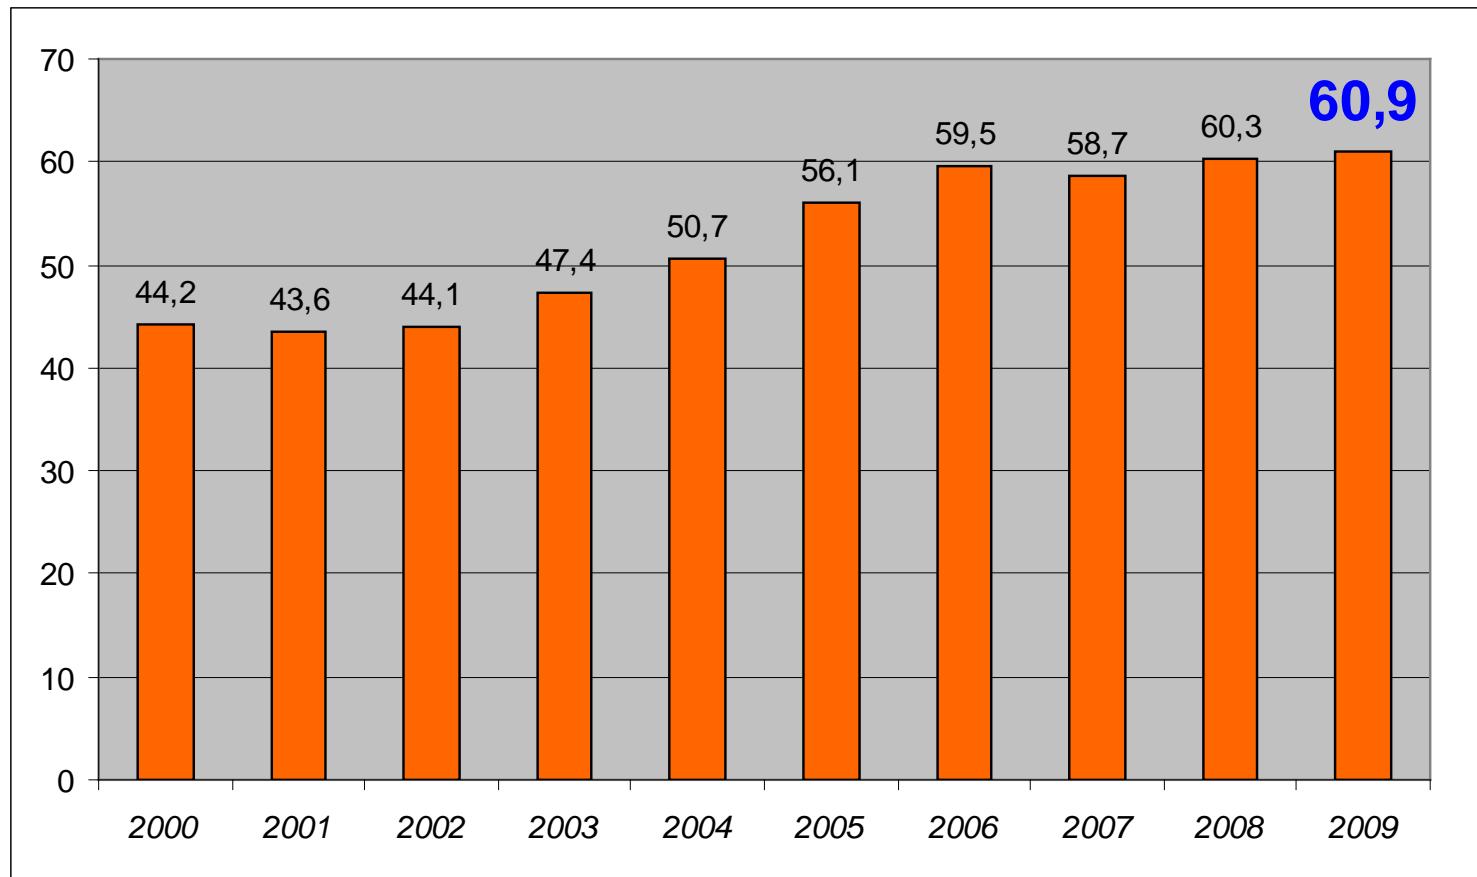

# *Our current situation....*

135 swimming pools with fat  
in the Netherlands

# *% People Dutch standard*

# *What's the problem?*

- 39% (adults) does not reach the international 30 minutes standard
- Only 22% youth (0-18) reaches the 60 minutes standard
- Massive and growing overweight (40% overweight, 10% obese). 14% of Youth

NISB calls for a broad social front to get grip on all aspects of food, sports, daily exercise and exemplary behavior

In line with Michelle Obama's Let's Move: overweight to be approached on the highest level

# *Daily exercise ...*

Daily physical  
exercise is very  
important

# Targets Netherlands

## Outcome 2012

- 70% adults standard active
- 50% youth standard active
- Inactivity max. 5%

## Output 2010

- 50% knows about the 30-standard
- 50% knows about the campaign
- Smart goals per target group

# *Health behavior*

How to change (habitual) behavior?

How to help people to make the right choices?

Behavioral determinants affect final behavior

How to change behavior?

- knowledge (93% knows about 30-standard)
- intention
- attitude (reflection and appreciation)
- self-efficacy
- physical environment
- family and friends (social environment)

Behavior change: **unaware / aware**

# *Health behavior*

NISB works on this behavioral changes,  
with projects, advice, lobby to decision makers, coaching  
experts,  
gathers knowledge and distributes this

commissioned by the

- ministry of health, welfare and sports,
- ministry of transport, public works and water management,
- ministry of agriculture, nature and food quality,
- other organizations - non profit as well as profit organizations.

And ... with campaigns!

# *What's the answer?*

Multi layer approach

The values of campaigning for NISB

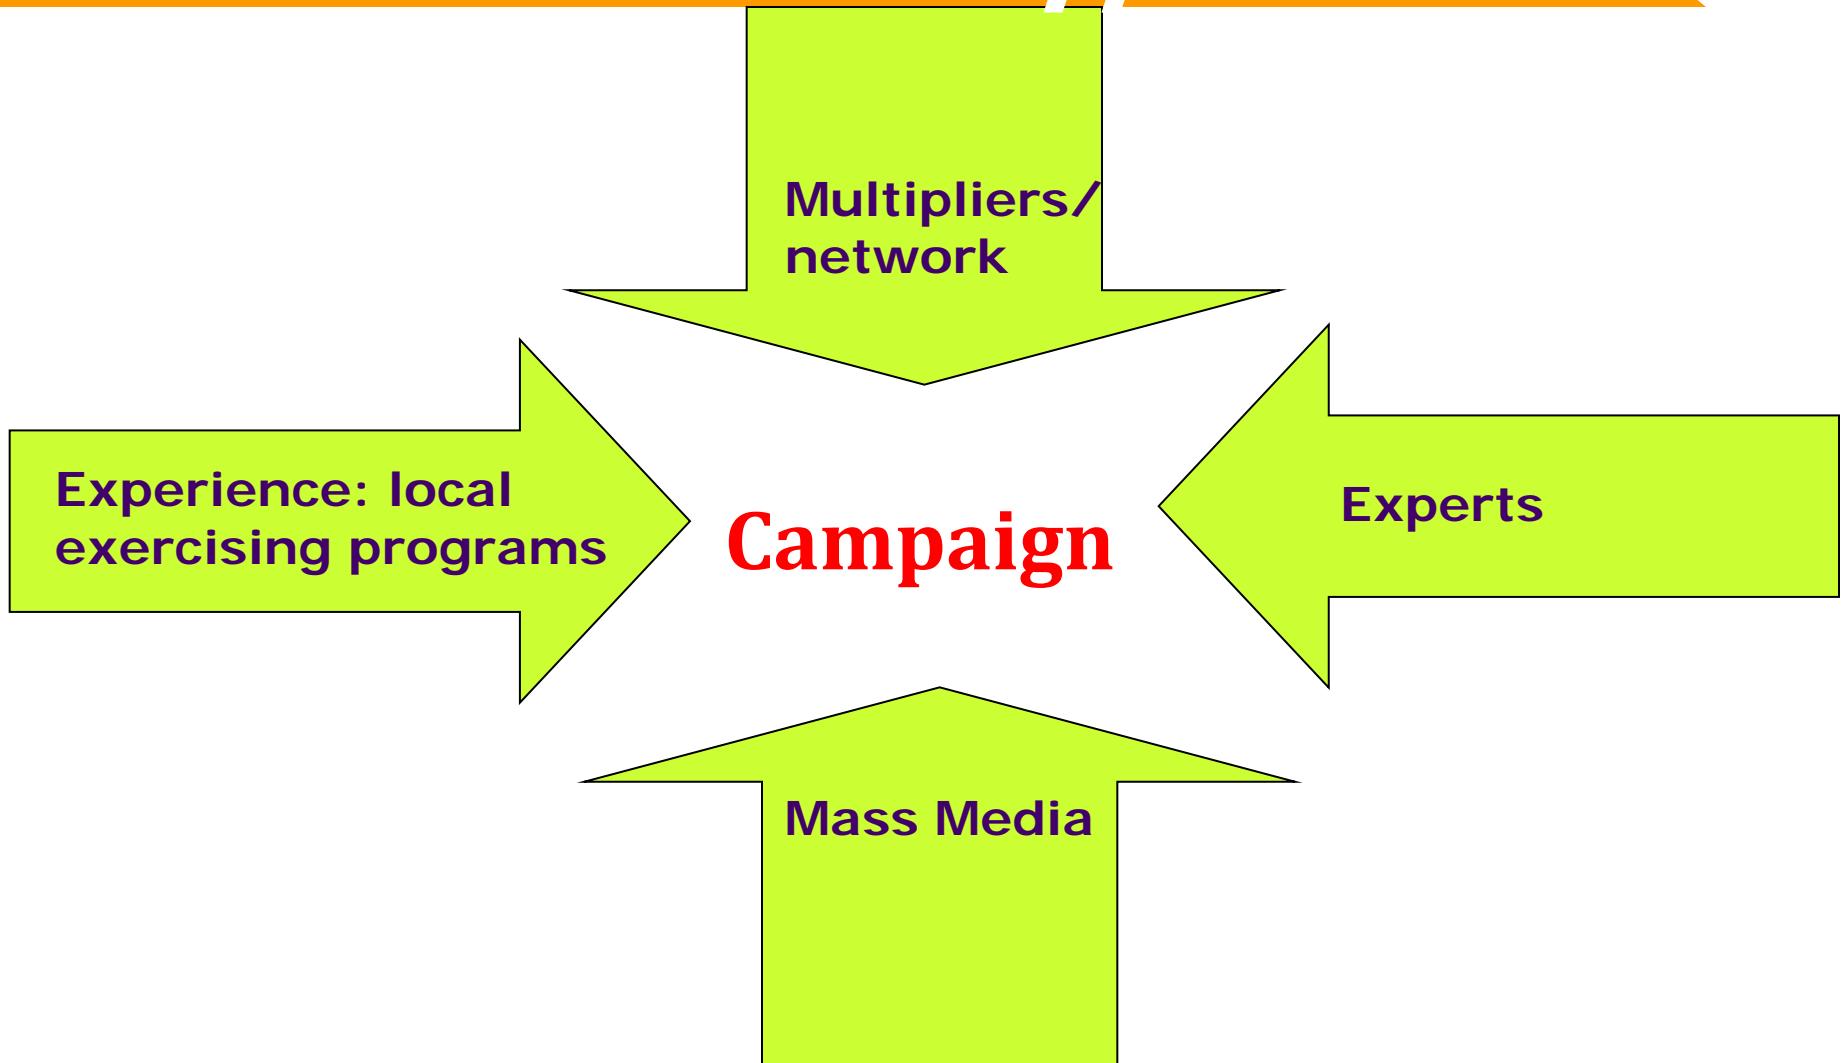

*National Action plan Sport and Physical Activity for structural  
and effective projects on a local level*

Campaigning for:

- Raising of awareness
- Seducing for behavior-change
- Agenda setting
- Influencing physical and social environment

# *Succes of multi layer approach*
